Sorry I'm...

pulling the plug...

without warning again...

THUD

Alright dudes. *HUFF* Sick of this guy. Just... *UGH* Guys kick his sorry butt to the street while he's out. Hey, dudes?

HEY! Guys! Come on man if he's done for then my bro will...

What gives!? You guys know I'm still the king, right?

That cheap headpiece is just a symbol, man!

Funny thing about that crown. . . my EX-liege.

Want to know a secret about that blowhard Trudy?

He never ONCE used the crown's power. But you did. You did the MOMENT a single obstacle appeared.

AND then you went and BROKE it. Your daddy's heirloom.

Oh, you still have your mother's cape to keep you warm at night.

You're going to need it. I'm sure the Book is not going to want to see your face for a while!

BUT I'M THEIR KING!!!

I'm . . .

You keep saying that, Faux, but looks like the Book has taken a liking to the little dude. They NEVER forgive a weak king.

HAH!
You picked TITAN and a no-name off the streets STILL beat you!
Oh! Just WAIT until the royal family hears that BOTH of their kids lost control of the Book!
I... ah screw this!
Grumble~
Grumble~

Why he would go to all that trouble for Parmesan, of all toons, is beyond me.

But. . . damn. That kind of power is what we need.

Uh. Hi. I'm here to pick up the wolf-shifting weirdo.

Oh, hello! I'm quite sorry but the Book is a tad bit overstimulated. . . I don't think they're going to give him up so easily.

Even I don't know how they'll act now that they are down their second king.

So that's what you've been up to, Blot.

This is getting to be a pain.
